

IT'S GONNA BE THE LITTLE KINDERLACH- Country Yossi- Wanted!/Greatest Hits

So you want to know who's gonna bring
Moshiach?

Well, I'll tell you, I'll tell you.

It's not gonna be the business man,
Or the wealthy man or the famous man, oh no.

CHORUS:

It's gonna be the little Kinderlach,
The little, little, little, Kinderlach.
It's gonna be the little Kinderlach,
Who'll make Moshiach come.

(x2)

The little boy who goes to Yeshiva,
And learns Hashem's Torah,
To understand,
He'll make him come.

The little girl who sings Birchas Hamazon,
And says every word,
With holy Kavana,
She'll make him come.

CHORUS:

(x2)

The little boy who wears his Tallis Katan,
And kisses his Tzitzis,
When he says the Shema,

He'll make him come.

The little girl who Davens each morning,
And gives her allowance,
Away for Tzedaka
She'll make him come.

CHORUS:

(x2)

The little boy who stays in Shul,
And stands with his father,
To listen to the Torah,
He'll make him come.

The little girl who goes every Shabbos,
To visit the sick,
And the lonely old people,
She'll make him come.

CHORUS:

(x2)
